## It's News Here!

### Larcenies, B & E's Increase

The Crawford County Sheriff Dept. and Grayling City Police are urging residents throughout the county to join in neighborhood watch programs following increases in larcenies and breaking and enterings.

During the summer months, both activities traditionally increase here and last week the sheriff dept. reported 16 larcenies and 14 breaking and enterings.

### Army Ammunition Displayed Downtown

The Army E.O.T. Team at Camp Grayling, in cooperation with the Sheriff's Department and Larry McNamara, have made arrangements to display various types of army ordnances used by the Military at Camp Grayling. In the interest of public safety, Camp Grayling urges any citizen finding such objects along roads, in fields, etc., not to disturb the item, but to contact Camp Grayling (348-7621) or the Sheriff's Department (348-6341) immediately. This display can be viewed at Mac's Drug Store, downtown Grayling.

### LMPOA Annual Meeting July 2nd

The Lake Margrethe Property Owners Association will hold its annual meeting and annual election of officers on Saturday, July 2, at 10 a.m. at St. Francis Episcopal Church, M-72 West. Members or prospective members are urged to attend this important meeting. If you live anywhere between Lake Margrethe and State or Federal land, you are eligible to be an active, voting member. You may also become an associate member.

### Annual River Property Owners Meeting July 2nd

The Annual Meeting of members and friends of the AuSable River System Property Owners Association will be held in the basement room at the Shoppenagon Motor Hotel in Grayling on Saturday, July 2nd.

The meeting will begin at 10 a.m. and will be preceded by a breakfast meeting of the Directors.

### No Cost for Compactor Tickets After July 1

Grayling Township residents will have free dumping at the compactor after July 1.

Grayling Township Supervisor Bernie Fowler said the township board unanimously voted recently to provide free compactor service beginning July 1. Tickets for several dumpings currently cost \$1.

Starting in July, residents will receive an annual ticket. Fowler said the township will not lose a lot of money providing the free service and will save some office costs by giving out annual tickets.

### Boating Class Offered

There will be a Marine Boating Safety Class held on July 7th and 8th, at the Grayling Fire Barn located on James Street in Grayling. Classes will start at 9 a.m. and run to 11:30 a.m. Children 12 years old or older are urged to attend. Adults are welcome.

For further information, call the Crawford County Sheriff Department 348-6341.

### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 28 June - 2 July 1983.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd. east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 a.m. on 29 June and cease at 5 p.m. on 30 June.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 9:00 a.m. (Daily) and cease at 5:00 p.m. (daily).

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## Booster Club Tops \$125,000 In Donations to Community

By Jon Thompson

Lots of ideas are hatched over a cup of coffee. Few have succeeded in northern Michigan like the idea Jim Bendig and Jack Mead launched over cups of coffee back in 1971.

The Grayling Youth Booster Club - started in May of 1971 when Bendig, Mead, and other community leaders wanted to help send the GHS basketball team to summer camp - has now topped \$125,000 in donations to youth projects.

"That's a significant amount of money put into a community from a service organization," said Roy Spangler, MSU Co-Operative Extension Director for Crawford and Roscommon counties.

Bendig was named the first president of the club and with the help of Mead, Jim Kitchen, Irv McIsaac, and many others, the club grew as fast as grass during rainy, warm weather.

The club focused on supporting the athletic development of area youth in its first years. They bought uniforms, rebuilt the Millikin Little League field, bought a universal gym for the high school, helped start senior league baseball, operated a skating rink in Grayling, installed fencing around Frederic tennis courts, bought a baseball pitching machine, and purchased other athletic items as well as volunteering for many work projects.

But the club didn't stop with the athletics. It began branching out. First it began helping sponsoring Fourth of July fireworks display and kids events. Then they bought band uniforms, donated funds to the drug abuse program in the county, purchased nursery playground equipment, contributed to the Jaws of Life fund drive, spent \$6,000 toward a shelter at the Grayling City Park, and in 1978 they pledged \$10,000 to the Grayling Mercy Hospital.

The club raises money through 50-50 ticket drawings, bingo, membership dues, dinners, and jacket sales. The biggest money-maker in the early years was the 50-50 tickets. The Booster club was the first organization in the area to popularize the weekly tickets and they were selling up to 500 tickets a week through the constant work of many regular sellers and the generosity of numerous steady donors.

In recent years, bingo revenues and dinner proceeds have grown as have the amounts the club has donated. In 1981-82 the Booster Club made its biggest single donation contributing \$20,000 to help salvage the entire sports program for the Crawford AuSable School District.

Jim Bendig remained president of the club for the first couple of years and then Dick See Boosters on Page 5

## 17-Mile Course Planned for C-1, Aluminum Racers

Racers in the one-man canoe and aluminum canoe division will start off activities on the river along Ray's Canoe Livery at 6 p.m. followed by the aluminum canoe division. Both divisions will race 17 miles to Stephan's and will return to the race scene at Ray's for presentation of awards before the professional and amateur racers.

Racers in the aluminum

canoe division must use standard livery canoes and commercially produced paddles such as the Carlisle paddle produced in Grayling. Both divisions will start in the river without a LeMans start. A staggered time release start will be used if a large number of persons enter.

The two new divisions will race to Stephens in daylight and should be off the river before the amateur teams paddle down.

Grayling State Bank and Northern National Bank are sharing a mini-sponsorship of the race along with Ray's and Carlisle Paddles.

## Local Racers Win at Windsor

Butch and Brett Stockton extended their winning streak at Windsor last weekend taking first, and Dave Shepherd, of Grayling, and Tony Short, a cousin of the Stocktons from Rose City, took third place.

The Stocktons got off to a horrible start in last place fighting the Detroit River current while the other teams paddled in shallower water where the current wasn't as strong. It took them one hour of the two-hour race to catch the other teams and finally take the lead from a Cincinnati team. They won \$400 for their first place finish three minutes in front of the second place Cincinnati team.

Race conditions were as different from the AuSable River as possible. It was 98 degrees on the Detroit River with rough waves created by power boats and big ships. A large police boat with flashing lights led the leading canoe through the river traffic.

## Avalanche Closed Monday

The Crawford County Avalanche will not be open Monday, July 4th, in observance of the national holiday. News and advertising copy for next week's issue, the July 7th publication, is requested by Friday, July 1, at Noon.

## Monday Rain Puts End To Hectic Fire Week

Showers Sunday night and Monday gave area fire fighters a reprieve from the worst week of blazes this year.

Twenty five fires ranging from 18 acres to a tenth of an acre were fought last week by DNR personnel. Last Wednesday, on a hot and hazy day, 17 fires were reported running firefighters ragged from 8:30 a.m. to 1:30 a.m. the next morning.

Many of the fires were started by national guards artillery firing and a ban was placed on certain firing later in the day. The Camp Grayling fire fighting crew handled several smaller fires during the week without assistance from the DNR.

The largest fire was an 18-acre swamp fire along Jones Lake. Firefighters couldn't get into mucky areas to plow firelines as the unusual fire spread through a swamp and

grass area near the lake.

An eight-acre blaze near the Wakeley Bridge area was contained Friday and Sunday another small fire started in the same area. The fire on Friday was started by troops firing flares.

Monday's rain was the first substantial rainfall since May 29.

Camp Grayling fire fighting crews along with some DNR assistance perform control burns on ranges early in the year before fire danger reaches a peak. The range maintenance helps keep small fires during artillery, tank, and aircraft firing from breaking loose.

Although rains dampened the area, residents must still acquire permits for burning from the local DNR field office. Permits may be obtained by telephone, 348-6371.

## Engel Named Outstanding 1983 Senior Citizen

Engel

Johnston

Schmidt

Barnie Engel was voted the outstanding senior citizen for 1983 in countywide balloting.

Laura Johnston was voted first runner-up and Howard Schmidt was voted second runner-up among seven nominees. Only five votes separated the top three winners.

The winner Engel has lived in Grayling for the past 33 years coming here from Big Rapids. He was superintendent at the local fish hatchery for twenty-five years and is still active on the new committee. He is very active in the Senior Citizen Center, as well as being a RSVP volunteer.

Barnie is also a member of the Michelson Memorial Methodist Church and a real worker for the church. He is married to Treva and has two married children and four grandchildren. Barnie has a woodworking skill and is always in demand to make this, make that, or do repairs. He's a "Boy Friday" to help anyone who needs him, a real "boy scout". No job is too small for him to stop and do for you. A fine gentleman. We call him the "Widows friend."

Laura Johnston, the first runner-up, has always lived in Crawford County and she raised a family of seven children. She and her family lived in Beaver Creek Township.

Laura is also active in the Michelson Memorial Methodist Church and has a large circle of friends in her church work. Laura is

Howard Schmidt, the second runner-up, was born and raised in Grayling and returned here upon his retirement from Detroit Edison. Howard volunteers to help us at all three satellites when we take the meals into various areas.

Howard and Eloise are active members of Mt. Hope Lutheran Church. Howard is a Friendly Visitor and a companion in our Homemaker Program. He visits those confined to their homes and those at the Adult Foster Care homes and hospital. He often sits with a handicapped man so the wife can do the shopping or banking.

He has a very warm and friendly personality and you can always count on Howard for a song. He is a real sharing person who gives of himself to bring happiness to others and he also loves to fish and have a glass of "buttermilk". Howard is also a RSVP Volunteer.

All seven nominees are truly outstanding senior citizens and all were real winners.

also an active RSVP volunteer and indeed a lovely lady. Laura loves to do all kinds of crafts. She has worked in various places in Grayling and always has a nice garden. You will see her every Labor Day walking the "Big Mac" Bridge which she has been doing for seven years.

## Auto Club Predicts Busiest July 4th In Last Five Years

Michigan's summer tourism season - off to a slower than expected start - is heating up and the Automobile Club of Michigan expects tourism over the 78-hour Fourth of July holiday to be up 3 percent over last

year for the busiest July 4th in five years.

"The cold, wet weather during the Memorial Day weekend limited holiday festivities, but recent warm, sunny conditions have helped increase tourism ac-

tivities the last two weeks," stated Auto Club Travel Operations Manager James Drury.

"Good weather and continued encouraging signs of economic recovery should See Busy 4th on Page 5

**A DAY TO SING ABOUT**—There was plenty to sing about on a trip to K.P. Lake sponsored by RSVP. After a picnic feast on the lawn of Bob Hartwig's lakeside home, senior citizens enjoyed some good ole accordian playing under shady maple, birch, and pine trees. Following the food and song, the group toured Hartwig's sawmill - a miniature Greenwich Village. Next week's Avalanche will feature some of the old fashioned tools and equipment at the sawmill.

## The Bible Speaks

From Calvary Baptist Church

### GOD IS OUR JUDGE

Romans 14:10-12

As we study chapter 14 of Romans, we are reminded that there are some things upon which the Bible does not clearly speak. These things are called nonessentials and should be left for God to judge later. If the Bible says something is wrong, God is judging. If the Bible does not say something is wrong, man is judging.

"But why dost thou judge thy brother? or why dost thou set at naught thy brother?" for we shall all stand before the judgment seat of Christ." Verse 10. Every Christian shall have his works tried before the Judgment Seat of Christ to receive a reward or suffer loss. (I Corinthians 3:11-15.) People who share God's Word with others are servants of God, not judges. People who try to force their opinion on others where the Bible is not clear are playing God. Only God can judge.

Reverence and confession belong only to God. "For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God." Verse 11. Only God is worthy for a Christian to bow before in reverence and worship. The apostle Peter would not allow Cornelius to bow before him because he was a man. "And as Peter was coming in, Cornelius met him, and fell down at his feet, and worshipped him. But Peter took him up, saying, Stand up; I myself also am a man." Acts 10:25, 26. The Bible tells the Christian he has only one mediator through whom he must confess his sins: "For there is

one God, and one mediator between God and men, the man Christ Jesus." I Timothy 2:5.

A Christian is accountable to God alone as his judge. "So then every one of us shall give account of himself to God." Verse 12. This should be a great deterrent to sin in the daily life of a Christian.

A classic example of dividing essential and non-essential is the tongue and the cigarette. One dangles on the outside of the lips and the other on the inside of the lips. The tongue is mentioned over 100 times in the Bible, and the cigarette is not mentioned. The Bible says: "For in many things we offend all. If any man offend not in word, the same is a perfect man, and able also to bridle the whole body." James 3:2. Now is there a Christian who so bridle the tongue that he is a sinless, perfect man? "But the tongue can no man tame; it is an unruly evil, full of deadly poison." James 3:8. While we do not deny the poison of nicotine found in tobacco, it is of far more importance that we denounce the deadly poison of gossip, liars and sowers of discord among the brethren. God did not list 6 or 7 things which He hated, and which were an abomination unto him without naming 3 sins of the tongue. Proverbs 6:16-19. We have no smoking areas in many places. Wouldn't it be nice if Grayling were a no gossip area? Before you ask, no, I don't smoke. But, I share with you, a common problem of dealing with the poison of the tongue. (adv.)

### Chimera Reviews "Doctor Who"

The third issue of "Chimera", the creative arts magazine is now available. Highlights from this issue include a prize-winning poem by Vicky Taglia from Union Lake, Mi., two science fiction-fantasy stories "The Book" and "Is There Life...?", the third chapter of the adventure strip "To Kill a Chimera," another zany episode of the Heroes Club, and "The Art Gallery" featuring pen-and-ink renderings by various Michigan artists.

Chimera #3's staff article will be of interest to many science fiction fans as it is an in-depth review on the television series, "Doctor Who." This article will look at how the British series' success has kept it alive and still refreshing after twenty years. Spotlighted will be the five actors who have played the title role and some of the many supporting cast members. Also in this is a glimpse back at the origin of the Doctor and a glimpse of upcoming adventures. Finally, there is a "Doctor Who" contest, the winner of which will receive a year subscription to the British magazine, "Doctor Who Monthly."

Chimera is published by the Literary and Movie-making Club, a non-profit organization made up of creative teens. The magazine accepts works from any amateur Michigan writer or artist. For more information send a self-addressed stamped envelope to: Chimera, Route 2 Box 2772, Grayling, Mich. 49738. Chimera is available at John's Hallmark in the Mini-Mall.

### Thank You

I would like to take this opportunity to thank everyone for making our 500,000th Passenger Day such a huge success. The cooperation and local support that was shown, makes everyone at the Crawford County Transportation Authority (Dial-A-Ride) very proud of being a part of this 1/2 millionth person to board one of our buses. It has taken almost six (6) years to accomplish this milestone, but with the acceptance and support of you wonderful people in Crawford County, I anticipate that our 1,000,000 mark will be less than 3 years into the future. A very humble thank you to everyone!!

Chet Johnston  
CCTA Director

## LaMotte Receives Beta Sigma Phi Scholarship

The Xi Gamma Upsilon Chapter of Beta Sigma Phi Sorority of Powell awarded its eighth annual scholarship to Kathi LaMotte. She was recognized for this honor on Senior Awards Day at Powell High School. LaMotte is the daughter of Mr. and Mrs. Robert LaMotte of 7604 Cranley, Tenn. and the granddaughter of Robert & Madonna LaMotte of Grayling and Helen Fisher of Florida.

## Motorcycle Caution Urged

Secretary of State Richard Austin today urged Michigan motorists to watch out for motorcyclists this Fourth of July weekend.

Austin noted that the record Michigan motorists set for safety over the Memorial Day weekend, when only five motorists' deaths were recorded, was marred by six motorcyclists' deaths.

With the July Fourth weekend coming up, Austin urged motorists to set another safety record by obeying the speed limit, refraining from drinking and driving, fastening seat belts and keeping an eye out for motorcyclists.

## RSVP Reports

by Sherry Haag, Dir.

Welcome to news of The Retired Senior Volunteer Program. June 8-10, I attended an ACTION Regional Conference in Chicago, Ill. The conference was titled: Leading the Way - Professional Growth in ACTION. In weeks to come, I will be telling you about some of the very interesting speakers and workshops.

Pat Moore has lived 4 lives. 3 of them were 80 year old women. A shopping bag lady, a middle class matron and a dowager. The 4th life is the real Pat Moore, a 30 year old industrial designer from N.Y. City. She was mugged twice, insulted by rude cashiers, and confronted by bottle caps that her simulated arthritic fingers could not open. Her disguises required four hours in front of a make-up mirror. She clouded her eyes with baby oil, bandaged her fingers and wore gloves to imitate arthritic symptoms, and used a cane or a walker. She discussed her experiences and how they helped change her ideas about growing old in America. She is presently the founder and director of Moore & Associates, a New York based research and design firm offering general consultation services for product, transportation, and environmental program development. The firm specializes in geriatric related projects as well as providing services to organizations engaged in efforts involving the elderly and disabled. For further information about Ms. Moore's experiences, stop by or call the RSVP office at 348-4341 or 8322.

We have received a request for a volunteer to accompany a wheelchair patient (on Dial-A-Ride) to Gaylord for water therapy. Duties are light with no lifting involved. Basically, just keeping the patient company for the trip there and back. Day: Thursday. Time: Noon to approximately 3:30 p.m. Interested? Call the office 348-4341 or 348-8322.

Substitutes are always needed for the Historical Museum, Hartwick Pines and the Grayling Fish Hatchery. We are especially in need of volunteers for the Fish Hatchery on Saturdays for the month of August and on Sundays during July and August. Interested in more information about RSVP or the above assignments?

## Blueprints For Family Living

A good family life begins with a good personal relationship with Jesus Christ. I am convinced that most of you who read this want to live a truly meaningful life. You wish to be of service to your fellowman and you hope to ultimately bring a just and true moral order to our world.

If you are to do this, God must have His will and way in your life. You cannot do it within yourself. But, within His will, there is no failure. Outside God's will, there is no success.

Albert Schweitzer penned this little poem called "The Will of God."

To know the will of God is the greatest knowledge, To suffer with will of God is the greatest heroism, To do the will of God is the greatest achievement,

To have the approval of God on your work is the greatest happiness.

Here are four points on How To Know the Will of God. They are not all inclusive but they will help. 1) Through His Word, 2) Through prayer, by the Holy Spirit, 3) Through providential leadership, and 4) Through wise counsel of Godly advisors.

The greatest advantage to good family living is knowing the will of God. (Sponsored by the Grayling Church of the Nazarene)

**New power plants will help Michigan escape energy crisis**

  
Dr. Chauncey Starr and Mr. Harry Reinsch

Within 10 years, Michigan and other Midwestern states may become an energy oasis in a nation desperately short of electricity, according to two experts.

America's generating plants can fulfill America's thirst for electricity without difficulty for the next five or six years, they say. But beyond that, increased use of electricity could outgrow production capabilities in many parts of the country. The result would be regional power shortages, accompanied by large-scale unemployment.

The good news-bad news assessment of America's power future is made by two leading authorities on electricity, Dr. Chauncey Starr and Harry Reinsch. Starr is vice chairman of the highly respected Electric Power Research Institute. Reinsch is president of the Bechtel Power Corporation, which builds electric generating plants worldwide. Their views appear in the current issue of "FOCUS: Views on Energy," a magazine published by Consumers Power Company.

According to Starr and Reinsch, existing demand already uses more than 90 percent of the nation's total electric generating capability. They say enough new plants are not being built to handle growth and replace aging facilities. It will be too late to fix the problem once the shortage occurs, because it takes many years to plan, finance and build a generating plant, Starr says.

The power supply situation is a serious threat to America's economy, according to Starr. He notes that historically, the demand for electricity tracks economic activity. If the nation's

economic output increases, consumption of electricity goes up. If there is not enough electricity to handle growth, a stagnant economy and high unemployment result.

"We'll see a big shift of industry," predicts Reinsch. "Many plants will pack up and move away from energy-short areas to other parts of the country. Even to foreign countries. That would mean unemployment. Lots of it."

In the midst of that bleak forecast, Michigan and the rest of the Midwest hold out hope for the future.

"The Midwest has more abundant power, and less expensive power, than most other regions," says Starr. "It is certainly better off than the Sun Belt. The Sun Belt relies chiefly on oil and natural gas for fuel. The Midwest gets its power principally from coal and nuclear energy, which costs much less than oil or natural gas."

Reinsch agrees. "Michigan fits right in the heart of it," he says. Several new power plants, including the Midland Nuclear Cogeneration Plant, will be completed within the next few years. "Once they are completed, Michigan will have an ample supply of dependable, inexpensive electric power and will be in a very good supply position compared to the rest of the county," he says.

"The people of Michigan are really very fortunate," Reinsch says.

Wendell L. Hoover  
Park Interpreter

As a reminder to those of you who may have visitors on various occasions this summer, I will be conducting guided tours through the Pines and putting on evening programs. You and your company are welcome to attend either. I would suggest you call the Park to check on times and dates before you come since my program schedule changes somewhat from week to week. As I have said before, a guided tour through the Pines is more than just a walk. It is a return to the past as well as a brief introduction to the ecology of a pine forest.

There are several flowers blooming at the present time such as False Lily-of-the-Valley, Starflower, Moccasin-flower, Bunchberry and Wild Strawberry. There are a great many species of wild plants with flowers which you may be curious about and while I do not have a complete list of blooming dates, I will be glad to assist you with identification. If you phone 348-7068, which is the Park number, and I am not in, I will do my best to get back to you.

**GEORGE'S DEATH MUST BE DIFFICULT FOR THE CHILDREN.**

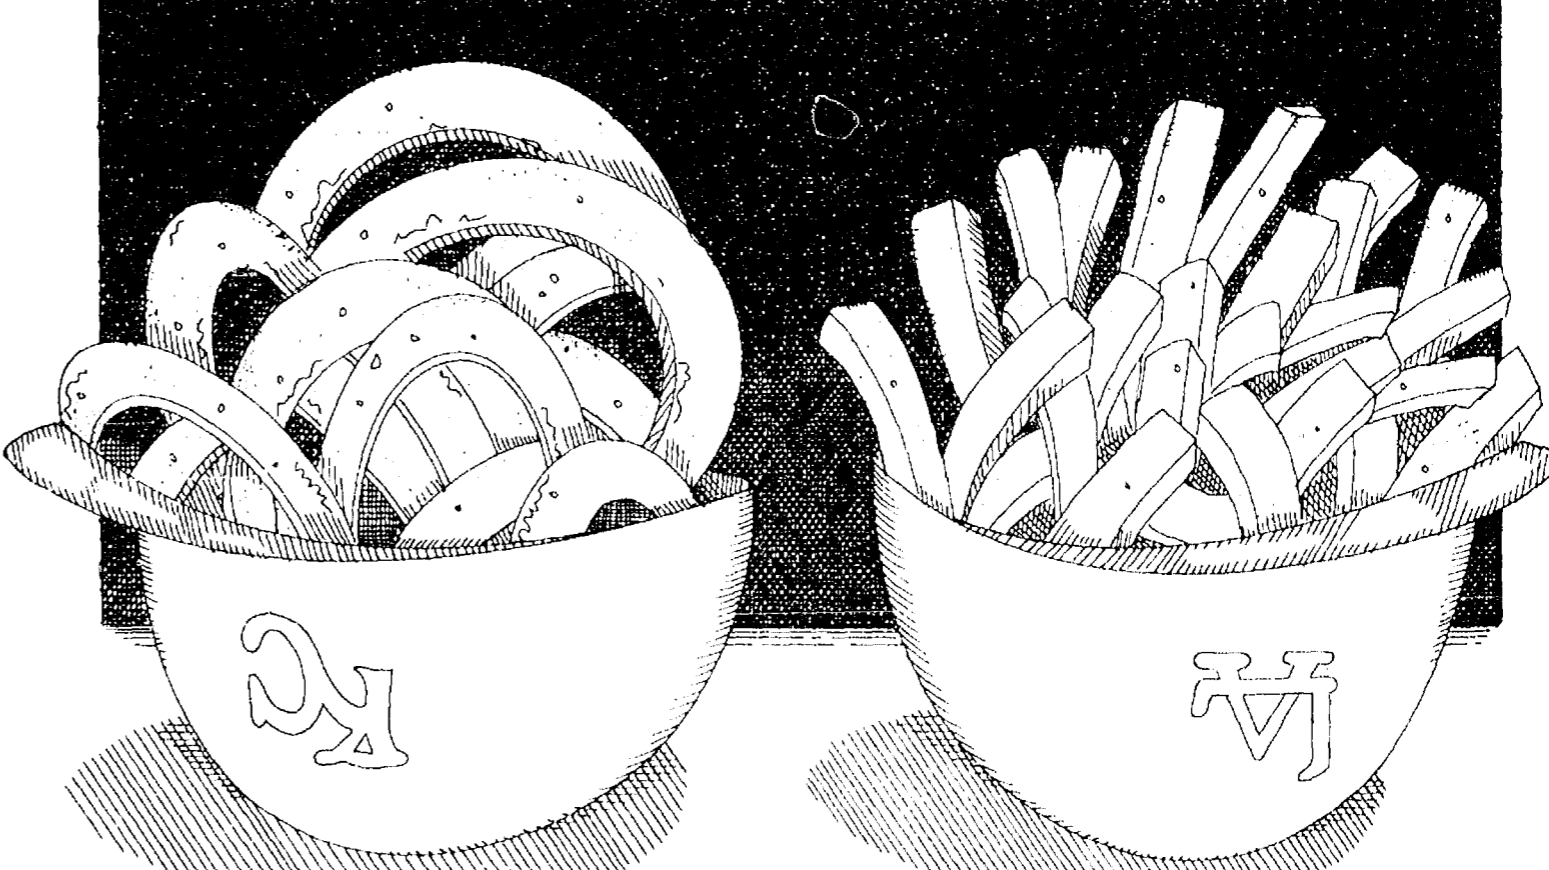

**THEY'VE ALREADY BEEN ASKING A LOT OF QUESTIONS**

As in all other aspects of life, honesty is the best policy! Children can quickly see through adult uneasiness or deceit. Telling a child that the person died and giving a specific reason for the death is most honest and helpful. If children raise further questions, these too should be answered honestly. Death is not a common occurrence in the lives of most families. It is helpful to reassure children that they will be cared for in spite of the fact that things will be different without the deceased. It is helpful to include children in all ceremonies and as much as possible in decisions that will affect them but only if they wish to participate. A child's loss is real and will not go away by being ignored.

## I Am Your American Flag

It was nearly a year after the American colonies had declared their independence when, on June 14, 1777, I was adopted as the nation's banner. I can tell you that no flag in the world has ever witnessed more phenomenal national achievement in just 205 years than I have.

I was 41 years old before Congress clearly defined my design, but my colors were the same from the very beginning - red for the blood of courageous patriots, white for the purity of the ideal of liberty, and blue for loyalty and justice. And believe me, my colors DO NOT RUN.

Certain spectacular events have made my life especially meaningful when dawn broke over Fort McHenry on September 14, 1814. I was streaming majestically against the sky. We had just survived two days of relentless British bombardment. Francis Scott Key, watching off shore, was inspired to write the immortal words of the Star Spangled Banner. Over the years I have waved my appreciation as crowds have gathered for events large and small and have stood to sing the anthem in my honor.

The "Pledge of Allegiance" came into being during the national public schools 400th year Columbus Day celebration in 1892. The original pledge was recited by more than 12,000,000 pupils in America that day. Since then I have watched the faces of untold millions as they placed their hands over their hearts, raised their eyes to me, and renewed this pledge. Congress acted wisely in 1954 when it added the phrase "under God".

I was pleased when in 1824, Captain William Driver nicknamed me "Old Glory". Indeed, I am glorious, for the freedom under God that I represent the world over. Tragically the countries are growing in number from which I have been evicted where freedom has given way to rule by Communist tyranny.

I painfully witnessed the gallantries of more than one million Americans as they gave their lives in defer to me. You see I am the only living veteran of all the wars in which my beloved nation has been involved.

Washington clutched me with dogged determination during that desperate winter at Valley Forge before victory was miraculously snatched from the jaws of defeat to secure our liberty.

In Gettysburg, I billowed with pride when the immortal words of a humble war-weary President Lincoln were spoken, "...and that government of the people, by the people, and for the people shall not perish from the earth."

For 205 years my people have packed me away and proudly carried me to the uttermost corners of the earth; my stars and stripes have billowed gloriously from every United States ship that has ever sailed the world's seas. I stand proud as the only national emblem to view the world from the moon!!

I rejoice to be celebrating with you, my people, still another year of liberty under God in this the greatest nation on earth.

The above presentation was made by Virginia Evers during the Independence Day program, Taylor, Arizona, July 3, 1982 reprinted here as a patriotic gesture for the 4th of July, 1983 by Grayling Knights of Columbus - Respect Life Commission.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY CASE NO. U-7624 ORDER AND NOTICE OF HEARING REGARDING REFUNDS TO GAS CUSTOMERS

On April 15, 1983, Michigan Consolidated Gas Company (MichCon) filed an application for approval of a plan to make refunds of approximately \$13.0 million, plus interest, to its customers. On February 1, 1983, in accordance with Part F of its Purchased Gas Adjustment (PGA) Clause, Rule 30, MichCon filed its PGA Reconciliation Report showing PGA overrecovery of \$936,301 for the 12-month period ending December 31, 1982. On the same date, in accordance with Part H of its PGA Clause, Rule 30, MichCon filed its report showing overcollections of \$1,990,308 due to recomputation of the LIFO rate used to calculate PGA Factors during 1982.

From the application, exhibits filed with the application, and the records and files of the Commission, it appears that:

1. MichCon is a Michigan corporation with principal offices located at 500 Griswold Street, Detroit, Michigan 48226. MichCon is engaged in the distribution and sale of natural gas to approximately one million residential, commercial and industrial customers.

2. MichCon requested that the Commission approve its plan for customer refunds pursuant to Section 6b of 1939 PA 3, as amended, MCLA 460.6b; the Commission's orders dated November 6, 1979, in Case No. U-5955, and July 30, 1982, in Case No. U-6839; and Rules 30(E), 30(G), and 30(H) of MichCon's tariff.

3. MichCon has a refund liability of approximately \$15.9 million, consisting of approximately \$13.0 million refund plan filed on April 15, 1983, \$0.9 million of PGA reconciliation refund filed on February 1, 1983, and approximately \$2.0 million LIFO rate recalculation refund filed on February 1, 1983.

4. MichCon proposed to refund the \$13.0 million plus additional interest (at the rates approved by the Commission in Case No. U-6794

Phase II) computed from the date of refund receipt or the date of refund liability through the first day of the period in which the refunding process commences. The proposed refund includes approximately \$9.4 million associated with pipeline supplier refunds subject to Section 6b, 1939 PA 3, as amended, MCLA 460.6b; \$1.9 million associated with the 90/10 refund provided by the Commission in its order of November 6, 1979 in Case No. U-5955, and modified in the Commission's order in Case No. U-6372 dated January 30, 1981; and \$1.7 million associated with the storage withdrawal adjustment and the estimated storage withdrawal price to actual adjustment provided for in MichCon's Rules 30(G) and 30(H).

5. MichCon represented that allocations of the refunds to all customer classes are on the basis of actual historical Ccf sales to those customers during the refund period for refunds totalling \$10.2 million. Proposed refund factors for distribution of the \$10.2 million are based on the actual historical sales to customers during the period April 1979 through December 1982 (same as allocation) for rate 6, rate 7, rate 8, rate 9 and other gas utility customers; and are based on the actual historical sales to customers during the period November 1979 through December 1982 for rate 1, rate 2, rate 2A, rate 3 and rate 10 customers. For the remaining \$2.8 million of the refund, MichCon proposed to use a November 1979 through October 1980 proxy period for both allocation and distribution.

6. MichCon represented that, in the case of active customers, the calculated refunds will be credited to the customers' bills. For inactive customers, MichCon proposed to send a check for the calculated refund amount, less any outstanding unpaid balance, to each customer's last known address. Refund checks for

amounts less than \$1 and checks mailed to addresses in previous refund distributions which were undeliverable, would not be issued in order to avoid the cost of issuing and processing such checks.

7. Section 6i(3) of 1982 PA 304 provides for the reconciliation of revenues and expenses related to cost of gas.

8. MichCon's 1982 PGA Reconciliation Report filed on February 1, 1983 did not consider or address the reasonableness and prudence of expenditures charged pursuant to its PGA Clause for the period October 1, 1982 (the effective date of 1982 PA 304) through December 31, 1982.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that: A. A prehearing conference will be held at 9:30 a.m. on July 28, 1983, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of providing the opportunity for Michigan Consolidated Gas Company, its ratepayers and the Commission Staff to address:

1. The reasonableness of MichCon's refund plan filed on April 15, 1983.
2. The reasonableness of MichCon's February 1, 1983 filings concerning Parts F and H of its PGA Clause, Rule 30, along with the allocation and distribution to its customers of any overrecoveries determined to have resulted under Parts F and H.
3. The reasonableness and pru-

dence of the expenditures charged pursuant to the PGA Clause, Rule 30, in accordance with Section 6i(3) of 1982 PA 304.

Any interested person may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before July 22, 1983, an original and 6 copies of a petition to intervene, together with proof of service upon Mr. William K. McCrackin, Vice President, Rates and Regulatory Affairs, Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226. Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

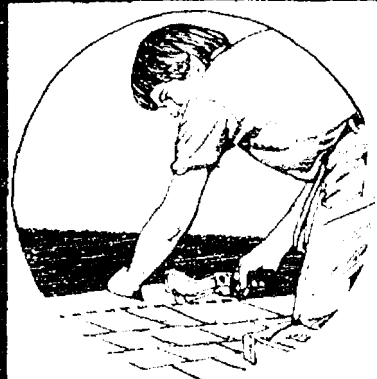

C. Michigan Consolidated Gas Company shall, on or before July 5, 1983, file with the Commission its prepared testimony and exhibits regarding a refund plan to distribute refunds related to Parts F and H of the PGA Clause and the reasonableness and prudence aspects described in Section 6i(3) of 1982 PA 304.

The Commission specifically reserves jurisdiction of the matters herein contained and the authority to issue such further order or orders as the facts and circumstances may require.

## Bill Provides Economic Incentives To Unemployed

By State Rep.  
Ralph Ostling

Legislation designed to provide financial incentives so the employed will seek work and the employees who hire them will obtain tax relief was recently introduced in the Michigan House.

The two-bill package attempts to reform the state's unemployed compensation system so that a person who works more always benefits in higher gross earnings.

One problem with the present unemployment compensation law is that the benefits drop off from full to half to none when a person takes a new job. We need to make it profitable for the unemployed to go back to work. Under the current system, the person with a new and better paying job is

penalized and actually takes home less in benefits that are available under the present law, than a person who finds new, but lower paying employment.

Under the proposed "Unemployment Training Benefit Act" workers accepting lower paying jobs or part-time work would receive 50 percent of the difference in gross wages between their old job and new job if they are in the first weeks of unemployment.

The package would also provide single business tax relief to employers hiring persons drawing unemployment compensation. If hired for 30 or more hours, the bill would allow the employer to deduct the employee's labor costs from his single business tax for the first year of employment.

## Sibs for Kids

We are saving Pepsi and Mountain Dew caps to get basketballs, etc. for the Sibs Program. If you can help us in this way, we would appreciate it. We need them by Aug. 1, 1983.

We also save the green slips from Glen's Market, and this money helps to supplement our income from Grants, United Way and other contributions.

We also desperately need Big Brothers and Big Sisters at this time due to people moving, etc.

If you are a mature, responsible adult that would like to become involved in a meaningful relationship with a young person, which would make a big difference in that person's life, contact the Sibs office today at 348-2841 ext. 252.

## Newly Organized Community Band

Do you play a Band instrument? Or, did you every play a band instrument? If the answer to either question is yes, our community has an organization that could use you help, and in the process you just might engage in a very enjoyable experience. A recently organized community band is now meeting for rehearsal every Thursday evening at 7:00 p.m. at Hanson Park. Anyone who plays or at one time did play a band instrument is cordially invited to attend the rehearsals. It makes no difference how old or young you are, nor what instrument you play, nor how well you play it. Bring your instrument and come to the park Thursday evening and spend an enjoyable hour and a half playing old marches, old pop tunes and show melodies. And at the same time, help get something good going for your community. For more information call Hanson Park at 348-9266.

An oral lease is valid in common law; however, statutes in most states require written leases for certain tenancies, generally when the term exceeds one year.

It is illegal for one person to own both a cat and a bird in Reed City, Michigan. Probably unwise, too.

### Work on Energy Assurance Plan To Continue During Summer

Warren M. Hoyt, Executive Director, MPA

Legislators and various utilities and energy consumer groups will continue this summer to reach agreement on an "energy assurance" program that would help provide utility service to low income households, keep costs down for regular consumers and cut down on bad debts collected by utilities.

Representative Alma Stallworth (D-Detroit), chair of the House Public Utilities Committee, told representatives of various organizations she hoped a package could be approved by the end of September and in law before winter.

Deliberations will center around a 12-bill proposal, which has not yet been introduced, drafted by the staff of the Public Service Commission and representatives of the state's three largest utilities (Consumers Power, Detroit Edison and Michigan Consolidated Gas).

The package would affect welfare recipients, working poor people, long term unemployed and senior citizens - approximately 1.8 million households.

The program should not require new costs to ratepayers and should prove a wash the first year of operation with greater savings in future years.

The package would require direct payments of utility fees to utilities, change the current lifeline rate program for electric use, expand weatherization programs and provide some incentives for low income people to cut their energy use.

The lifeline rate changes would affect all four low-income groups. Currently, lifeline rates provide a discount to residential customers using less than a certain amount of electricity.

Under the proposal, the first 360 kilowatt hours of electricity used for those groups would be discounted by 15 percent.

Other proposals for welfare recipients include direct payments to utilities, expanded weatherization programs with the hopes of limiting maximum natural gas usage from 400 metric cubic feet to 200 metric

cubic feet in 1987-88 and a "shared savings" system where the customer would receive the equivalent of half of the first year's savings.

For the working poor, the program would limit their natural gas home heating payments to 13 percent of their income, electric heat payments to 15-20 percent.

For those unemployed, the program would institute a specialized home energy audit to help provide immediate savings, a cynical budget plan and a deferred budget which would cut monthly payments by 20 percent below the normal usage and be repaid when the customer is back at work.

Senior citizens, under the program, would receive an additional 5 percent discount on their first 150 metric cubic feet of natural gas used, plus an exemption from the sales tax on energy costs.

#### State asks UPSCO be Declared Bankrupt

The Department of Transportation, joined with four private firms, has asked the federal bankruptcy court in Grand Rapids to reorganize the financially troubled Upper Peninsula Shipbuilding Company.

The move is tantamount to declaring the corporation - which was to build a new tug boat and four barges for Great Lakes shipping - bankrupt.

The action was taken, according to Transportation Director James Pitz, in an effort to "facilitate negotiations aimed at re-opening the shipyard."

UPSCO closed its doors last July 2 in a contract dispute with the state and Pitz said the state has been unable to work with potential investors interested in purchasing the shipyard and resuming operations.

Joining the state in the action are Fiske Brothers Refining Company of Newark, New Jersey; Philadelphia Resins, Inc., of Montgomery, Pennsylvania; Standard Equipment Company, Inc., of Mobile, Alabama; and Seacarl Marine Industries, Inc., of Hoboken, New Jersey.

## Celebrates 90th Birthday

Clyde (Pappy) Shaw was the honored member at a surprise 90th birthday party on June 18 at the Moose Lodge. "Pappy" was praised by many past and present officers for his interest and activities in Moose Lodge affairs for the past many years.

"Pappy's" big desire is to have more active members and for the lodge to grow. 45 men & Moose ladies were in attendance and also expressed their appreciation to "Pappy" for interest in the affairs of the L.O.O.M. and W.O.T.M.

## Mercy Hospital Auxiliary News

# Chamber Chatter

By Joyce Kolka

The community lost a good friend last week when Gen. John J. Dillon, commanding officer of the Indiana 38th Infantry Div. passed away suddenly. Gen. Dillon was a well known figure in the Crawford County area having led the guard at the annual encampment in Camp Grayling for many years.

Our sympathy goes out to his family and to the officers and members of the Indiana Guard.

Hats off to the Indiana National Guard for the excellent public relations job they have been doing during their stay here. One or more representatives of the Indiana guard have been on the program of many clubs and organizations. They have discussed the aims of the guard in general and in particular the role of the Indiana guard in objectives they have in training here.

It was announced at the meetings that the entire brigade will be at camp next year consisting of about 16,000 troops. Compared to the 6,000 this year it will mean considerably more money added to the economy of the area. Some time ago it was estimated that each guardsman spends about \$200 while at camp. At that rate \$3,200,000 would be spent here next year by the Indiana guard alone.

The new Crawford County/Grayling Tourist Booklet is now available. The 24 page publication covers a majority of the recreation possibilities in the area and has many pictures of woods lore. Chamber members are encouraged to pick up copies for distribution to their clientele.

Recently there has been some response to the ideas of a summer long trout fishing contest and a Fly Casting tournament next year. While the response is appreciated, there really is a need for at least 6 or more volunteers to come forward and explore the feasibility of the events and begin putting plans together because the two affairs will be too large for just a few people to undertake. If any reader is interested, please contact the chamber.

Recently firming of plans for the Milltown Festival include the various merchant sidewalk sales and flea market. The Mall will conduct both a sidewalk sale and flea market on July 29-30 from 9:00 a.m. to 5:00 p.m. Interested parties contact Claudia Delp at 348-7337. The Grayling Promotional Assoc. will hold sidewalk sales downtown at Michigan Avenue, Norway Street, and the 1-75 Business Loop on July 30th from 10:00 a.m. to 5:00 p.m. Interested parties contact Susan Noteware at 348-2666.

The response for booths during the Arts and Crafts Exhibit has been excellent according to Chairperson Nancy Hatfield. She noted that local response has not been as good as in the past. Persons interested in a booth at the Milltown Arts and Crafts Exhibit should contact Mrs. Hatfield at 348-9769.

We understand that plans for the canoe marathon for an amateur race and single contestant race prior to the main event.

Next Sunday, July 3rd the Booster Club sponsored fireworks display will light up the sky. As we have mentioned before the costs of this event has increased. The Booster Club needs financial support. Without it the display may suffer in future years. The club has asked that contributions be sent to Harry Wolfenbarger at Rt. 2 Box 2661, Grayling, Mi.

New members have been brought into the fold at a good rate by Walt Nowak. He is really out there "beating the bushes" and doing a bang-up job.

The new members include: Chicken Charlies, Shear Magic, Terry Misener Ford, and Grayling A & W.

## Notice of Mortgage Sale

Default having been made in the terms and conditions of certain mortgage made by Terrance R. Koczenasz and Barbara J. Koczenasz, his wife of 1303 E. Midland Rd., Bay City, Michigan 48706, Mortgages, to the Grayling State Bank, A Michigan Corporation of Grayling, Michigan 49738. Mortgage dated September 24, 1979, and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan on the 4th day of October, 1979 and in Liber 181 of Crawford County Register on Page 562-63 on which mortgage there is claimed to be due, at the date of this action for principal, interest and real estate taxes paid by mortgagee the sum of Three Thousand Four Hundred Twenty-Three Dollars and 38/100 (\$3,423.38).

The above mortgagee, the Grayling State Bank has since assigned its interest in the said mortgage to Charles E. ## Attend the Church of Your Choice

It's a thrilling sight to see our flag in a parade. We react in different ways. The stars and stripes make some of us think of Washington and his gallant men at Valley Forge. Others remember Pearl Harbor, the Normandy invasion, Vietnam or some we may have known who gave their lives in one of this century's too frequent wars.

The flag of our nation is beautiful but it's what the red, white and blue stand for that makes us proud to be Americans. Whenever she waves, all the sweat, blood, sacrifices, honor, loyalty, heroic deeds and accomplishments of our 200 plus years are symbolized in Old Glory.

Just as our flag represents our country and the American people, the Church is God's major tool for continuing His witness and work in the world.

You are always welcome in the House of the Lord. And you will find a lasting inspiration there for your life.

## Notice of finding of no significant effect on the Environment

County of Crawford  
Office of Housing Rehabilitation and Community Development  
Crawford County Court House  
Grayling, Michigan, 49738

Contact: Randy G. Thompson 517/348-2841 Ext. 253

Action: 1. Notice of Finding of the Significant Impact on Environment  
2. Notice of Intent to request Michigan State Housing Development Authority to release Housing Urban Development Small Cities Housing Rehabilitation Funds

### To All Interested Agencies, Groups and Persons:

The above named County proposed to request Michigan State Housing Development Authority to release Federal Funds under Title I of the Housing and Community Development Act of 1974 (PL-93-383) to be used for the following project:

### County Wide Housing Rehabilitation

To rehabilitate housing in the Village of Frederic, Grayling Township, Grayling City, Beaver Creek Township, Frederic Township, Lovells Township, Maple Forest Township, South Branch Township, \$250,000.00.

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the above named County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such Statement are as follows: The impact of the proposed project activities on the Environment is negligible and, where such impact exist, they are of a beneficial nature.

An Environmental Review Record respecting the within project has been made by the above named County which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for Public Examination and copying, upon request, between the hours of 9:00 a.m. and 4:00 p.m.

## Grayling Township Board

Regular Meeting — June 14, 1983

Members present: Bernard Fowler, Evelyn Gardiner, Monica Stephan Ashton, Marvin Hallett, Jacqueline Bonkowski.

Members present: None  
Others present: Bob Chappel, Howard Guyette, Sr., Fran Hanson, Rose Keusch, Marty VanDeVen, John Failing, Barb Sojka.

Meeting was called to order at 7:42 p.m. by Supervisor Fowler.

Motion by Bonkowski, supported by Hallett to accept the minutes of May 10, 1983, with a correction to Item 21 to read "less than \$200.00." All ayes. Motion carried.

Motion by Bonkowski, supported by Ashton to accept the Treasurer's report as read. All ayes. Motion carried.

Correspondence:  
1. The Crawford County Sheriff's Department April activities report was summarized and placed on file.

2. Notice from Joseph White, Sheriff to the citizens of Crawford County offering assistance in the organization and implementation of an emergency warning system to be used in case of forest fire, storm warnings, or any type of emergency. If the Township is interested it is encouraged to submit a list of five key citizens. In case of emergency the Sheriff's office will contact one person on the list and that person will contact other citizens of the Township.

3. Letter from Undersheriff Robert Ruddy cordially requesting us to participate in an open house and display of equipment during Milltown Festival. The Township will be represented by the Fire Department.

4. The Chamber of Commerce May Newsletter is on file at the Township including dates and locations of receptions sponsored by local financial institutions for various military units at Camp Grayling.

5. Copy of Resolution adopted by the County of Crawford recommending the abolition of Presidential Primaries. The word from M.T.A. is that adoption of this resolution by the State of Michigan is almost assured.

6. Copy of a resolution recommending adoption of a bill called The Natural Gas Consumer Relief Act, which has been introduced in Congress. This bill would curb unwarranted increases in the cost of gas and roll back prices to January 1982 levels.

7. Correspondence from Senator Carl Levin relative to the Economic Development Administration emergency jobs legislation is on file at the Township Office.

8. Notification from Secretary of the Treasury that the final allocation of Federal Revenue Sharing FY83 has been set and our payments for the last three quarters will be \$3746.00, a nine dollar per payment decrease.

9. The final order has been received from the County Tax Allocation Board. Grayling Township has been allocated 1.00 mills; School 7.20 mills; County 6.50 mills; and COOR .30 mills.

10. Notification from Environmental Protection Agency of Findings of no significant impact relative to the City of Grayling's proposed rehabilitation of existing sewage collection system and expansion of treatment facilities by construction of an additional aerated lagoon and a low rate irrigation system.

11. Rasmus Hanson Recreation Area was represented by Marty VanDeVen, Chairman of the Grayling Recreation Authority. Supervisor Fowler had received a letter from Mr. VanDeVen on June 2nd requesting immediate financial aid. Mr. VanDeVen asked the Board to consider a joint meeting of the City Council, Board of Commissioners, Grayling Recreation, and any other interested units of government or associations to discuss a cooperative approach of financial assistance to keep this valuable community asset open to the public. Plans are being made to hold this conference before July 1st.

12. Township Legal Council, Doug Dosson, reports on behalf of the Planning Commission that they will be submitting amendments to the zoning ordinance relative to animals in the R-A zone. Also, we have some typographical errors and unclear specifications in our current Junk Ordinance which have led to interpretations in a court of law which make enforcement of the Ordinance difficult and cost prohibitive.

Also, the Planning Commission will present the finalized proposed Grayling Township Zoning Ordinance at the Regular Township Board meeting on July 12, 1983.

13. The following Tax Collection Penalty Resolution was presented to the Board by ruling of the Attorney General:

### RESOLUTION

WHEREAS, the Township of Grayling, Crawford County, Michigan, is a township with responsibility for the assessing of ad valorem property taxes, the collecting of property tax levies and the handling of review and appeal matters arising therefrom; and

WHEREAS, 1982 PA 503 provides for, among other things, the imposition of a late payment penalty charges on property taxes; and

WHEREAS, 1982 PA 503 provides that a late penalty charge shall not be imposed for levies that become a lien in 1983 or any year thereafter unless a township board shall approve and authorize imposition of the same by resolution or ordinance; and

WHEREAS, it is the desire of this Township Board to approve and authorize the imposition of a late penalty charge in accordance with the provisions of 1982 PA 503.

NOW, THEREFORE BE IT HEREBY RESOLVED by the Township Board of the Township of Grayling, Crawford County, Michigan, that:

1. The Township Board does hereby approve and authorize the imposition of a late penalty charge, equal to three (3%) percent on all property taxes paid after February 14 and before March 1st of the succeeding year in which such taxes shall become due and payable.

2. The late penalty charge approved and authorized by this resolution shall be waived for the homestead property of a senior citizen, paraplegic, quadriplegic, eligible servicemen, eligible veteran, eligible widow, totally and permanently disabled person, or blind person, as those persons are defined in Chapter 9 of PA 281 of the Public Acts of 1967, as amended, being Sections 206.501 to 206.532 of the Michigan Compiled Laws, if the person makes a claim before February 15 for a credit for that property provided by Chapter 9 of Act 281 of the Public Acts of 1967, as amended, presents a copy of the form filed for that credit to the local treasurer, and if the person has not received the credit before February 15th.

3. That if apprehensive of the loss of personal property tax assessed upon the roll, the Township Treasurer may enforce collection of the tax at any time, and if compelled to seize property or bring an action in December shall add three percent (3%) for a late penalty charge.

4. The Treasurer is hereby directed and authorized to take such steps as may be necessary to implement the provisions of the Resolution.

5. This Resolution shall apply to all property tax levies that shall become a lien in 1983 or any year thereafter and this Resolution shall continue in full force and effect unless and until revoked or rescinded by resolution of this Township Board.

6. That in addition the Township Board hereby reserves the right and authority to waive all or part of the late penalty charge, imposed by this Resolution for a specific tax levy and collection period by the adoption of a resolution to that effect.

7. All resolutions or parts of resolutions in conflict with the provisions of this resolution be and the same are hereby rescinded.

Motion by Gardiner, supported by Ashton to adopt the above resolution imposing a three (3%) percent late penalty charge on all taxes paid after February 14th and before March 1st of the succeeding year, in which such taxes shall become due and payable. Roll call: Gardiner - aye, Hallett - aye, Bonkowski - nay, Ashton - aye, Fowler - aye. Motion carried.

14. The Board received 3 bids on two signs for the Township Offices. Motion by Bonkowski, supported by Gardiner to accept the low bid of \$109.00 made by Fred Perin which covers both signs. Roll call: Gardiner - aye, Hallett - aye, Bonkowski - aye, Ashton - aye, Fowler - aye. All ayes. Motion carried.

15. Motion by Gardiner, supported by Hallett to authorize the Supervisor to sign Application for Fireworks Display Permit for July 4, 1983 at 9:00 p.m. submitted by Camp AuSable. All ayes. Motion carried.

16. Motion by Bonkowski, supported by Gardiner to authorize Supervisor Fowler to attend NATAF Conference in Washington, D.C. on September 11, 12 & 13 with the Township paying for lodging and meals. Roll call: Gardiner - aye, Bonkowski - aye, Ashton - aye, Hallett - aye, Fowler - aye. Motion carried.

17. Motion by Hallett, supported by Bonkowski to draft a letter of appreciation to the Camp Showono crew who worked so hard to make our move to the new offices fast and efficient. This letter to be accompanied by a donation of \$100.00 to the Camp's Boys Benefit Fund. Roll call: Ashton - aye, Hallett - aye, Fowler - aye, Bonkowski - aye, Gardiner - aye. Motion carried.

18. The memo agreement with CFC Data Corp. has expired. Motion by Bonkowski, supported by Gardiner to authorize Supervisor Fowler to sign an updated memo agreement with CFC Data Corp. All ayes. Motion carried.

19. Supervisor Fowler has submitted two projects to the Crawford-Roscommon SCD under Jobs Bill youth program. The first is closing a channel cut just below the pullover on the main stream. The other is erosion control on the steep bank at the end of Pine Road on the main stream. The projects will hopefully be funded for completion this summer.

20. The building report was summarized and placed on file.

21. The assessing report was summarized and placed on file.

22. The Grayling Township Compensation Commission met on June 8, 1983, to make a recommendation regarding the salary schedule for the Township Treasurer because of the additional workload necessitated by the summer tax collection.

Motion by Bonkowski, supported by Ashton, to accept the recommendation of the Commission and adopt two schedules: one reflecting the current schedules and an additional schedule reflecting the summer tax responsibilities. Roll call: Fowler - aye, Bonkowski - aye, Gardiner - aye, Hallett - aye, Ashton - aye. All ayes. Motion carried. The salary schedules will be on file in the Township Office.

23. Motion by Hallett, supported by Bonkowski, to approve Woodhurst and Sherwood Forest road projects. All ayes. Motion carried.

24. Motion by Hallett, supported by Bonkowski, to regretfully accept Elizabeth H. Wieland's resignation from the Grayling Recreation Authority. All ayes. Motion carried. Mrs. Wieland will still be serving on the Grayling Recreation Authority Board but as a representative on the County level.

25. Motion by Gardiner, supported by Hallett, that Monica Stephan Ashton be appointed as Township representative to Grayling Recreation Authority. All ayes. Motion carried.

26. Discussion on establishing a Budget Stabilization Fund.

27. Motion by Gardiner, supported by Ashton to authorize appropriate representative to sign Reciprocal Fire Protection Agreement by and between the USA, State of Michigan, Crash Rescue Fire Detachment at Camp Grayling and the Grayling Fire Department for mutual aid in furnishing fire protection for property and personnel for which each party hereto is normally responsible for providing fire protection at Grayling Army Airfield/Grayling McNamara Airport. All ayes. Motion carried.

28. Motion by Bonkowski, supported by Ashton to purchase Sears Kenmore two (2) speed upright vacuum for \$159.95 in-

cluding attachments. Also, authorize purchase of twelve (12) dust bags. Roll call: Fowler - aye, Bonkowski - aye, Hallett - aye, Ashton - aye, Gardiner - aye. All ayes. Motion carried.

Motion by Bonkowski, supported by Hallett to pay bills on vouchers 6266 - 6277 and 6288 - 6327. Roll call: Hallett - aye, Ashton - aye, Gardiner - aye, Bonkowski - aye, Fowler - aye. All ayes. Motion carried.

Motion by Hallett, supported by Bonkowski to adjourn. (9:55 p.m.) All ayes.

### Commission Order CFI-104.82A

(Under authority of Act 165, P.A. 1929 and Act 230, P.A. 1925, as amended)

### Statewide Trout and Salmon Regulations

The Natural Resources Commission, at its meeting on December 4, 1981, under the authority of Act 165, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended, ordered that for the period beginning April 1, 1982, and ending March 31, 1984, no person shall take, or attempt to take, any species of trout or salmon from any of the waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below.

Statewide open seasons on all streams and designated trout lakes shall be from the last Saturday in April through September 30 (longer on waters designated by the Director for extended fishing under Act 165) on all trout and salmon. Statewide open seasons on all other inland lakes and the Great Lakes shall be any time for all trout and salmon. Size limits shall be 8 inches on Lower Peninsula streams, 7 inches on Upper Peninsula streams, and 10 inches on lakes. The daily POSSESSION limit for trout and salmon shall be 5 fish singly or in combination but no more than 3 lake trout or splake, except that an additional 5 brook or brown trout may be taken from streams from the last Saturday in April through September 30 only and no more than 2 lake trout or splake may be taken from Lake Michigan or its tributary streams.

This order amends and supersedes Natural Resources Commission Order CFI-104.82 dated December 4, 1981.

## BUILDING SALE

### Department of Natural Resources State of Michigan

The Department of Natural Resources will be accepting sealed bids for the sale and removal of one (1) 24' x 36', 2 story wood framed upper half, cement block lower half, built in 1970, and located on the NE 1/4 of NE 1/4, Section 32, T26N, R1W, Crawford County.

The successful bidder will be required to remove the building and all contents from the site. Removal can be in one piece, two pieces or piece by piece. The cement block walls and the basement slab may be removed from the site and disposed of in a licensed landfill or buried on site as approved by the Department. After the removal or burial of all concrete materials, the area shall be back-bladed so as to conform to general contour of surrounding area and seeded with a mixture of 50% perennial rye and 50% creeping red fescue between the dates of August 15 to September 15 or April 15 to May 31. Minimum bid is \$500.00.

It will be the responsibility of the successful bidder to acquire all necessary permits needed for removal of the building.

A cash or surety performance bond of \$1,000 is required prior to the issuance of the building removal permit. A one-year period will be given for completion of all necessary requirements.

The Department of Natural Resources reserves the right to reject any or all bids. Sealed bids must be received in the Roscommon Forest Area Office prior to 10:00 a.m., EST, July 6, 1983.

For further information on the sale and removal of the building, contact Donald Torchia, Area Forest Manager, Roscommon Forest Area, P.O. Box 218, 8718 Roscommon Road, Roscommon, Michigan 48653, phone 517/275-5151.

## Board of Education Recognition Night

The Board opened its June 20th meeting in the Joseph Stripe Auditorium with the presentation of major awards and recognition certificates to staff, students and community members during their first annual recognition night. Bronze school bells were presented as major awards in the following categories:

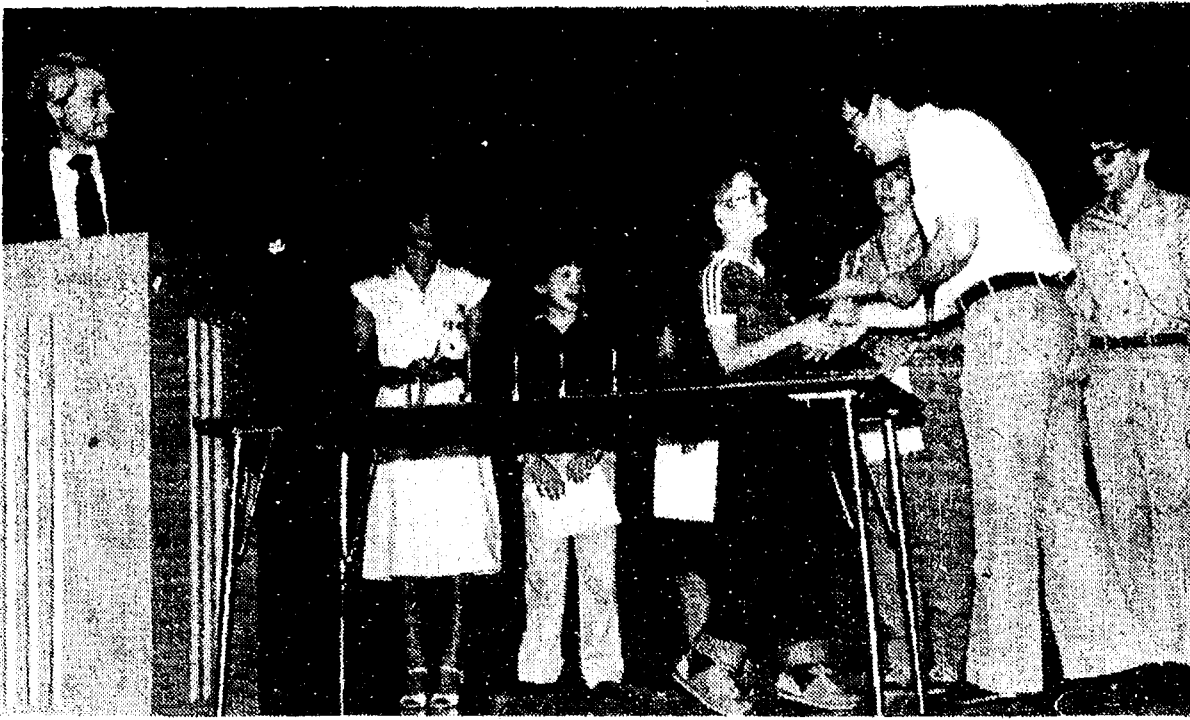

**Teacher of the Year**, Nancy Lemmen, Grayling High School Spanish Instructor, in recognition of her responsibility for developing an outstanding high school Spanish program where 25% of all high school students are enrolled in Spanish each year as compared with 11% in foreign languages statewide. Nancy has been actively involved in extracurricular activities, was a primary figure in the organization of the Crawford County Arts Council, and has been involved in district curricular development in Spanish and the area of gifted and talented education.

**Outstanding Contribution to the Education of the Students of the Crawford AuSable School District** by a Citizen, Bernie Engel, a retired DNR worker and RSVP volunteer in recognition of his time and skill in the construction of gymnastic apparatus for elementary school physical education classes.

**Outstanding Service by a Volunteer**, Rose Ann Owens, in recognition of her unselfish donation of in excess of 300 hours of her time to the Frederic Elementary School. Mrs. Owens tutored individual students and helped teachers by developing teaching materials, student activities, and other learning activities.

**Non-Teaching Employee of the Year**, Rita McClain, in recognition of her service to the Grayling Elementary School as secretary. Rita is a "one-man-show" in the elementary office performing the roles of secretary, receptionist, counselor, nurse, and administrative assistant dependent upon the need at any given moment.

**Outstanding Support for Schools by a Business**, Weyerhaeuser Company

**OUTSTANDING SINGLE ACCOMPLISHMENTS BY STUDENTS**—School board member Bill Morford congratulates Joshua Woodland for his COOR spelling bee achievements. Other students honored in the picture are Steve Jackson, right, Kathy Allen, Cheri Hutek, Ryan Hindmarsh, and Karyn Reynolds. Superintendent Kent Reynolds looks on as master of ceremonies.

**SCHOOL EMPLOYEE OF THE YEAR**—Rita McClain is congratulated by school board president Kathleen Burkley for winning the board "School Bell" award as school employee of the year. David Englund and Jean Smith, also pictured, were among five other employees also honored for their contributions.

**TEACHER OF THE YEAR**—Nancy Lemmen received a "School Bell" award for being named Teacher of the Year by the school board. Karen McDonald, Cecilia Benson, and Ann Doty were also honored for their work. President Burkley and board member Bernadine Dosch applaud their efforts.

was recognized for their leadership in community affairs and for the donations from Weyerhaeuser Foundation of \$16,000.00 for the installation of a computer lab at the high school and for video tape equipment.

**Curricular Initiators**, The Middle School Language Arts Committee was recognized for the development of an outstanding new curriculum for middle school students in the language arts including reading, grammar, literature, journalism, writing

and speech. The members of this committee were Judith P. Mesack, Glennis Austin, Russell Phillips and Timothy Branch.

**Best Cost Saving Idea**, Suggestion or Act, Paul B. Lerg, Assistant Superintendent of Schools, was recognized for installation of energy management systems into the individual buildings which resulted in immediate energy cost savings.

Other persons were given certificates for their efforts in helping our schools.

Issues Still Available

### Yearbook Work Completed

Student work on the 1983 Grayling High School yearbook has been completed and forwarded to the publisher. The finished book is scheduled for shipment from the publisher at Clarksville, Tennessee, August 15th. Distribution of the yearbook will be announced through the local media once the books have arrived at the high school.

The '83 edition pictures 93 percent of the high school family, with 600 candid photographs and 475 individual portraits. The yearbook staff is confident that the '83 book is a real winner and will rank among the finest such productions in the state.

A few copies are still available on a first-come basis and may be purchased by sending your check for \$15.00 to: '83 Yearbook, Grayling High School, Grayling, Michigan 49738. A receipt will be sent to you by return mail to verify the reservation of your yearbook.

### Recreation Program For Kids At Hanson Park This Summer

Once again this summer, Hanson Park is sponsoring a recreation program for area children. The program will get under way Monday morning, June 20 and continue for six weeks. Included in this year's recreation program is both ballet and jazz dance, gymnastics, nature study, wrestling, softball, and the popular Kid's theatre. Persons wishing more information about the program, or who wish to register their children, should contact the park immediately. The phone number at Hanson Park is 348-9266.
